DESCRIPTION

2023 TESLA MODEL Y LONG RANGE AWD | No Accidents | Heated Seats | Navi | No PST | Bluetooth | Auto-Pilot |

The 2023 Tesla Model Y is the latest and greatest offering from one of the leading producers of electric vehicles. With a long range of 512km, a top speed of 217km/h, and a swift 0-100km/h time of just 5.0 seconds, the Model Y is an incredibly powerful and efficient SUV that is perfect for families on the go. But what really sets this vehicle apart is its standard autopilot feature, which allows drivers to easily navigate even the most challenging roads with confidence and ease. And with gas prices continuing to rise, the Model Y is also an excellent choice for savvy drivers looking to save money in the long run. So if you're in the market for an all-electric SUV that's not only fun and fast but also good for the environment, look no further than the Model Y! The Applewood Automotive Group is proud to serve our clients with locations in Richmond, Langley, Surrey and Port Hardy. Apple...
